Bishop McGuinness Hosts Open House

It's that time of year again, when Bishop McGuinness opened its doors to all prospective seventh and eighth grade students. Almost 150 students and their parents took this opportunity to visit McGuinness. The Open House is a great way for students and parents to scope out the school and see all that it has to offer.

Bishop McGuinness administration, faculty and coaching staff were present to offer assistance. Students were on hand to demonstrate their talents, provide information and answer any questions. Student ambassadors, CAMINO club members-at-large, art students, basketball players, and various other groups of the student body also were there to demonstrate all that McGuinness has to offer.
