As a junior, Nick served as the Vice-President of the McGuinness annual Canned Food Drive which benefits the Oklahoma City Regional Food Bank. The drive provides food to Oklahoma families that are in need of help. Nick was instrumental in the success of the week long collection effort. He helped raise over 50,000 pounds of food, more than any other school in the state. He will serve as the President of the drive this year when it kicks off October 16.

A member of the Cross Country team for three years, Nick earned three varsity letters and was a member of the State Championship team his sophomore year. He also participated in Swimming and Tennis. Accumulating over 200 service hours, Nick volunteered at Hotdogs for the Homeless and was an Altar server at his church.

Nick is undecided on his choice of college. He is considering the University of Oklahoma, Oklahoma State University and several out of state colleges. He plans on majoring in Spanish and International Relations or Biology.
